Updated home on large lot in Northwood Hills Estates. Impressive pergola covered outdoor living and kitchen area with fireplace and TV overlooking sparkling pool. Remodeled kitchen with 42 inch cabinets, quartz counters, stainless steel appliances including SubZero refrigerator, beverage fridge, Viking gas cooktop, and warming drawer. Oversized primary suite with adjacent space can be used as a sitting area or office. En suite bath has double vanities, soaker tub and extra large steam shower. Inviting formal living room. Dining room and office have cathedral ceilings. Hardwood floors. Second floor bonus space with steam tub and shower bathroom can be used as home gym, office, gaming or craft room. Outdoor, lighted putting green. Three car garage. Conveniently located near the Dallas North Tollway.
